ACADEMIC ADVISE- MENT

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Nonmajor Programs Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. You may call, write, or just walk in.

Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice.

REGISTRATION INSTRUCTIONS

Winter Semester 1983

Are You Eligible to Register?

You are eligible to register for Winter Semester 1983 if you registered for and completed regular day school classes during Fall Semester or Fall Block 1982 or have been issued a valid letter of admission for Winter Semester 1983 by the Admissions Office. If you do not meet one of these criteria, registration materials will not be processed.

Step 1: Organize Your Registration Materials.

You will need the following items to register:

BYU General Catalog

Description of all courses, general education, and major requirements. Available at the BYU Bookstore or may be ordered by sending \$3.00 to BYU Mail Service, 230 UPB.

Class Request Form

Attached inside front cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university, general education, and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 6.)

New Students are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students

Questions a Student Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students challenge courses and pass the requirement by taking examinations when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Nonmajor Programs.

How do I request classes?

A class request form is attached in the front of this book. All new freshmen should list at least ten classes per semester (six per term) on the class request form. This will enable the computer to find five or six available classes that will add up to the credit hours desired.

STEP 1: ORGANIZE YOUR REGIS- TRATION MATERIALS

Help for New Students

Which classes should I select?

New freshmen are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book, or, if necessary, you can choose from the classes *listed below*.

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

Course	Description	Credit Hours	Information
Religion—Ancient Scripture 121	Book of Mormon	2	Required for new freshmen
Physical Education 177	Fitness for Living	.5

Physical Science 100	Fundamentals of Physical Science	3	GE Category 2
General Education Electives	Additional classes can be selected from the elective general education classes beginning on page 21 in this book.		

*Mathematics 100D: Take if you have had one year of high school algebra and your ACT score was below 21 and above 12 or if you feel you need a basic math review. If your ACT score was 21 or above, this course and GE requirement are waived. If ACT score was below 12, take Mathematics 100A.

**English 115: Students whose last names begin with A to L should request English 115 Fall Semester. All others should request the class Winter Semester.

STEP 2: PLAN YOUR SCHEDULE

Step 2: Plan Your Schedule of Classes

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 31. After listing your ideal schedule, list additional courses or sections that the computer can select if your first choices are not available.

Step 3: Complete the Class Request Form Correctly.

The class request form is the orange and white sheet attached to the envelope inside the cover of this schedule. Additional forms are available at B-130 ASB and at the college advisement centers.

The class request form will be read by a computer scanner. To avoid scanning error, use a No. 2 pencil and make bold, rounded figures when filling out the form.

STEP 3: COMPLETE THE CLASS REQUEST FORM

Sample Class Request Form (New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the class request form.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). Detailed instructions are on the back of the class request form.

Class Request Form

This form is read by an optical scanning machine. You must exercise special care to make certain this form is neat and accurate. Failure to follow these instructions exactly may cause you to receive classes you do not desire. Use a sharp #2 pencil. If you must erase, erase completely. A sample of how your form should look is on the reverse side of this form.

STEP 4: SUBMIT THE CLASS REQUEST FORM

Step 4: Submit the Class Request Form ON TIME and AT THE RIGHT PLACE.

If you are on campus, submit your completed class request form to your advisement center or to B-130 ASB.

If you are away from campus, mail your completed class request form to B-130 ASB, BYU, Provo, Utah 84602. The envelope attached to the inside cover is addressed for this purpose.

Submit your class request form so that it is received at BYU before the following dates:

- | | |
|-------------------------|--|
| November 3 (5:00 p.m.) | For first priority in the scheduling of classes. |
| November 17 (5:00 p.m.) | For second priority in the scheduling of classes |
| December 3 (5:00 p.m.) | To register on time. Students failing to meet this deadline must late register beginning January 5, 1983, and pay a \$20.00 late fee (see Late Registration, page 10). |

Step 5: Receive Confirmation of Classes and Pay Tuition.

The confirmation of classes and tuition assessment will be mailed:

- | | |
|-------------|--|
| November 30 | For students who meet the first- and second-priority registration deadlines. |
| December 7 | For students who meet the last-priority deadline. |

These dates should be helpful in selecting the mailing address you indicate on your class request form.

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to BYU in the envelope provided. Drop boxes are also provided for students on campus who wish to save postage.

The deadline for tuition and fee payment is Tuesday, December 21, at 5:00 p.m. Students who fail to meet the tuition deadline will lose all classes for which they are scheduled, will be required to pay a late fee of \$20.00, and will need to late register (see Late Registration, page 10).

STEP 5: PAY TUITION

ADDITIONAL REGISTRATION INFORMATION

Additional Registration Information

Late Registration

Any student—new, continuing, or former—who fails to submit a class request form by December 3, 1982, or fails to pay tuition by December 21, 1982, must late register. Late registration begins Wednesday, January 5, 1983, in the Smith Family Living Center step-down lounge and will continue on a SPACE AVAILABLE BASIS until Tuesday, January 18, 1983. There will be a \$20.00 late registration fee assessed in addition to the regular tuition and fees.

IMPORTANT NOTICE: The university reserves the right to close late registration at the time the student enrollment reaches the maximum number set by the Board of Trustees. Therefore, late registration forms will be processed on a first-come, first-served basis.

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be made by the college advisement center on the Change of Registration (Add/Drop) Card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitutes a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping Classes

Changes in registration are made by adding classes you wish to take and dropping classes you do not wish to take. Classes may be added or dropped beginning January 5. Generally, approval to add classes is given by the instructor. Exceptions to this rule are listed in the Class Schedule in the class listing portion under the name of the department. The change of registration procedure is:

1. Obtain a change of registration (Add/Drop) form from the Registration Office or your college advisement center (see inside front cover for listing).
2. To add a class, obtain approval from the instructor or department if indicated in the Class Schedule.
3. To drop a class, complete the form indicating the class to be dropped (no signature required).
4. Pay a fee per class to the university cashier. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
5. Take the Change of Registration Card to the Registration Office, B-130 ASB.

Please note the following deadlines for changes in schedule:

March 31	Th	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, January 12, 13, 14, 17, and 18. It is not possible to register for an audit class on the advance class request form. You are charged the same fees for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8.0 hours during a semester or under 4.5 hours during a term are considered part-time. Students enrolled in 4.0 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400-499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to December 22, 1982. On-campus registration will be in the Evening Classes Office, 120 HCEB, from November 1 through December 27, 1982. Late registration will begin on January 5, 1983.

Faculty and staff members who register for evening classes only must register by December 22, 1982. Employee tuition cards are available in the Evening Classes Office.

Registration for Faculty and Staff

(See page 26.)

Independent Study Programs

Independent Study is the university's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than three hundred courses are available, representing over fifty departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course.* For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868. Office hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday.

*Tuition is \$39.00 per semester hour and is not included in your regular BYU daytime tuition.

Tuition and Fees

TUITION AND FEES

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to the Treasurer's Office.

Tuition and General Fees Per Semester

	LDS Member	Non- Member
Undergraduate Students		
Full-time		
(Over 8 credit hours).....	\$ 610	\$ 915
Part-time.....	\$ 62	\$ 93
	per hour	per hour

Advanced-Standing Students

Full-time

Law School Students

Full-time		
(Over 8 credit hours).....	\$1,110	\$1,665
Part-time.....	\$ 113	\$ 170
	per hour	per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund policy listed below.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After December 21 (Winter Semester).....\$20.00

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed in addition to a \$7.00 dishonored check fee.

Tuition Refunds

If you discontinue school, a refund will be made minus a charge of \$10.00 (\$5.00 for a part-time student). In addition, there is a per-day charge of 3 percent of the total tuition paid or payable for the semester. You will be charged for the first day of the semester in which classes were held, following the day you registered, to the day on which you report your discontinuance to the Office of Student Special Services.

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed

approximately two weeks from the date on which you report your **discontinuance** and have your activity card voided by the Office of Student Special Services.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

GENERAL EDUCATION

For a description of the GE Program, see the current BYU General Catalog. For further help, see the GE Guide in your college advisement center. For your convenience and information, a GE column has been added to the listing of classes in the Class Schedule. Definitions of the codes used in the column follow:

Category 1:	Category 2:	Category 3:
1W = Writing	2AL = Arts and Letters	3AW = Advanced Writing
1M = Math	2SS = Social Systems	3EM = Extramajor Skill
1R = Reading	2NS = Natural Science	
1H = Health		

These codes represent both required and elective courses. The only official list of all courses satisfying current GE requirements follows.

REQUIRED COURSES

All students must enroll in or challenge one course in each of the areas listed in the left-hand column below under each category. Students may challenge courses in the Testing Center on the dates listed.

Testing Center Schedule

NOTE: The Testing Center is now in the Heber J. Grant Building and will be open during the hours shown below.

UNIVERSITY POLICIES

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9	Freshman
32-63.9	Sophomore
64-95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

You can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one major to another, or from one college to

another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college in which you are presently enrolled. After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract form must be completed, signed by the instructor and department chairman, and the fee paid prior to the submission of the Official Grade Roll at the end of the semester. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should complete the portion of the Incomplete Grade Contract, indicating the grade earned, and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to totally discontinue all classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.

2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Discontinuance Office staff.
4. Have the student activity card voided. *You retain the voided card and photo ID if future enrollment is anticipated.*
5. Refer to page 14 for discontinuance refund information.

Those students enrolled in *Evening Classes only will discontinue through the Office of Evening Classes, 120 HCEB*. A \$5.00 fee is charged for the service after registration has been finalized. Law School students will *initiate their discontinuance through the office of the Law School dean, 348 JRCB*.

Students who leave the university under emergency conditions without discontinuing and who subsequently do not return during the semester or term should contact the Discontinuance Office, 390 SWKT, Ext. 2767, at the earliest possible time to initiate official termination of course enrollment.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, or from the department or Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Graduate Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members **not teaching** during the Spring or Summer Terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members **teaching** during Spring or Summer Terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), or (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term, 6 credit hours may not be taken in the Summer Term, or vice versa. **No person may take more than 4 credit hours in one term.**

3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. **Spouse.** The *spouse* of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

The same information applies as for full-time faculty except Item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

NOTE: See *Personnel Policies and Procedures* No. 502 for tuition benefits for full-time staff with less than five years' and greater than five years' continuous service.

1. **Registration for Fall and Winter Semester.** Full-time regular staff may register for courses of study up to 6 credit hours per semester and will not be required to pay the regular cost of tuition. Unless specifically authorized, courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8:00 a.m. to 5:00 p.m.) may not enroll in evening classes beginning approximately 4:00 p.m. or before.

2. Registration for Spring and Summer Terms. During Spring or Summer Terms, staff members may allocate their credit hours of class attendance as in Item 2a,b,c for full-time faculty.**

3. Spouse. After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term), and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less*. There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 120 HCEB (see instructions below).

Special Instructions (Please take note.)

1. Applications for Approval of Daytime Class Work. Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, prior to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

****2. Admittance to the University Needed for Daytime Class Work.** Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. Registration Schedule. Please watch for

university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Evening Classes

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,
- or
2. They will be nineteen years of age on or before January 5 of the academic year.
3. They have not been suspended for any reason from this or any other institution of higher learning.

Registration

Forms for registering may be obtained at the department offices (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in the class of your choice, register early and before deadlines. **All completed registrations must be turned in to 120 HCEB. All matters concerning evening registration are handled in this office.**

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change in Registration card from 120 HCEB. The approval and signature of the instructors involved in the change are required.

Changes in registration may be made without charge on the first day of the Fall and Winter Semesters. Classes may be added during the first ten class days of Fall and Winter Semesters. Classes may be dropped during the first ten class days of Fall and Winter Semesters. The amount of the fee to drop classes increases each day. The charges per day are printed on the Add/Drop form.

During Spring Term or Summer Term, classes may be added during the first week only. Classes may be dropped during the first three weeks of classes. Classes may be dropped the first day of classes without charge. The amount of the fee to drop classes increases each day. The charges per day are printed on the Add/Drop form.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (105 HCEB). A \$5.00 fee is charged for the service after registration has been finalized.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should also be sent to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees and their spouses will need to bring their Confirmation of Registration to the Benefits Office, where final processing will be accomplished. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before finalization of registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the Discontinuance Office, 390 SWKT. If all classes are evening classes, clear through Evening Classes, 120 HCEB.

FINAL EXAMINATION SCHEDULE FOR WINTER SEMESTER 1983

Instructors are required to give a final examination for each class according to the schedule printed below. Second block class exams will be given according to the regular examination schedule. First block and evening school exams will be given during the last regular class period.

Students are expected to be at the examination. Early final examinations are not to be given students unless written permission has been granted by the Exception to University Policy Committee and by the individual instructor. (Students petitioning an early final examination may pick up a form in the Records Office, B-150 ASB.) If extenuating circumstances arise so that you cannot attend the final examination, the instructor may give an incomplete grade, permitting you to take the examination after the semester. (If you do not contact the instructor about missing the final examination or if an agreement is not made for giving an incomplete, the instructor should submit a final grade computing the weight of the final examination as an E.)

In cases where you have conflicting examinations or more than three examinations in one day, individual arrangements for alternative test times may be made by the instructor. Examinations will be held on April 18, 19, 20, and 21, with Dead Day on Friday, April 15, 1983; therefore, Thursday, April will be the last day of instruction.

The specific examination schedule is as follows:

CLASS SCHEDULE ABBREVIATIONS

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalog for a listing of the colleges and departments at BYU.

CATG NO—the catalog number. Enter this number in the second column of the worksheet. The numbers indicate the following classifications:

- Preparatory and remedial courses 1-99
 - Lower-division courses 100-299
 - Upper-division courses 300-499
 - Courses for graduates or advanced undergraduates 500-599
 - Graduate courses 600 or above
- Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two R courses with the same number on a transcript are treated as two independent courses.

If an R course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB OR QUIZ—lab or quiz section only.

SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number in the third column of the worksheet.

INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. V means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule (see advisement center for further information). "Arr." means credits to be arranged.

B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—BLDG—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—Fills General Education Category 1, 2, or 3: R = Reading, W = Writing, M = Math, H = Health, AL = Arts and Letters, NS = Natural Science, SS = Social Systems, AW = Advanced Writing, EM = Extramajor Skill

APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).

GEN S 111 INDEPENDENT STUDY ALSO (206 MCEB)																	
STUDENTS SHOULD NOT REGISTER FOR BOTH GEN S 110 AND 111 BECAUSE THEIR COURSE CONTENT GREATLY OVERLAPS. STUDENTS WHO REGISTER FOR GEN S 111 111A 111B 111C OR 111D SHOULD CONSULT THE UNIVERSITY COURSE CATALOG FIRST. WHILE GEN S 111 CARRIES ONLY 0.5 CREDIT STUDENTS MUST ADD GEN S 111 A B C AND/OR D DURING THE ADD-DROP PERIOD - AFTER CONSULTING WITH THE INSTRUCTOR OF GEN S 111. THE COMBINATION OF GEN S 111 PLUS GEN S 111 A B C AND/OR D WILL RESULT IN FROM 1.0 TO 2.5 CREDITS TOTAL.

ACADEMIC ADVISE- MENT

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Nonmajor Programs Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. You may call, write, or just walk in.

Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice.

REGISTRATION INSTRUCTIONS

Spring Term 1983

Are You Eligible to Register?

You are eligible to register for Spring Term 1983 if you registered for and completed regular day school classes during Winter Semester or Winter Block 1983 or have been issued a valid letter of admission for Spring Term 1983 by the Admissions Office. If you do not meet one of these criteria, registration materials will not be processed.

(See page 8 for details.)

Step 1: Organize Your Registration Materials.

You will need the following items to register:

BYU General Catalog

Description of all courses plus general education and major requirements. Available at the BYU Bookstore or may be ordered by sending \$3.00 to BYU Mail Service, 230 UPB.

Class Request Form

Attached inside front cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university, general education, and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 5.)

New Students are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students

Questions a Student Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students challenge courses and pass the requirement by taking examinations when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Nonmajor Programs.

How do I request classes?

A class request form is attached in the front of this book. All new freshmen should list at least ten classes per semester (six per term) on the class request form. This will enable the computer to find five or six available classes that will add up to the credit hours desired.

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book, or, if necessary, you can choose from the classes *listed below*.

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

Course	Description	Credit Hours	Information
Religion—Ancient Scripture 121	Book of Mormon	2	Required for new freshmen
Physical Education 177	Fitness for Living	.5	
*Mathematics 100D	Review of Basic Math	2	*Can be waived
English 115	College Reading & Writing	4	GE Category 1
Health 129	Personal Health	1	GE Category 1
American Heritage 100	American Heritage	3	GE Category 2
Biology 100	Principles of Biology	3	GE Category 2
Physical Science 100	Fundamentals of Physical Science	3	GE Category 2
General Education Electives	Additional classes can be selected from the elective general education classes beginning on page 53 in this book.		

*Mathematics 100D: Take if you have had one year of high school algebra and your ACT score was below 21 and above 12 or if you feel you need a basic math review. If your ACT score was 21 or above, this course and GE requirement are waived. If ACT score was below 12, take Mathematics 100A.

*Major requirements are available at college advisement centers or in the BYU General Catalog.

Step 2: Plan Your Schedule of Classes

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 13. After listing your ideal schedule, list additional courses or sections that the computer can select if your first choices are not available.

Step 4: Submit the Class Request Form ON TIME and AT THE RIGHT PLACE.

If you are on campus, submit your completed class request form to your advisement center or to B-130 ASB.

If you are away from campus, mail your completed class request form to B-130 ASB, BYU, Provo, Utah 84602. The envelope attached to the inside cover is addressed for this purpose.

Submit your class request form so that it is received at BYU before the following dates:

March 15 (5:00 p.m.) For first priority in the scheduling of classes.

April 1 (5:00 p.m.) To register on time. Students failing to meet this deadline must late register beginning May 3, 1983, and pay a \$10.00 late fee (see Late Registration, page 9).

**STEP 4:

FORM**

STEP 5: PAY TUITION

Step 5: Receive Confirmation of Classes and Pay Tuition.

The confirmation of classes and tuition assessment will be mailed:

- | | |
|---------|---|
| April 1 | For students who meet the first-priority registration deadline. |
| April 8 | For students who meet the last-priority deadline. |

These dates should be helpful in selecting the mailing address you indicate on your class request form.

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to BYU in the envelope provided. Drop boxes are also provided for students on campus who wish to save postage.

The deadline for tuition and fee payment is Thursday, April 21, 1983, at 5:00 p.m. Students who fail to meet the tuition deadline will lose all classes for which they are scheduled, will be required to pay a late fee of \$10.00, and will need to late register (see Late Registration, page 9).

Additional Registration Information

Late Registration

Any student—new, continuing, or former—who fails to submit a class request form by April 1, 1983, or fails to pay tuition by April 21, 1983, must late register. Late registration begins Tuesday, May 3, 1983, in the Smith Family Living Center step-down lounge and will continue on a SPACE AVAILABLE BASIS until Tuesday, May 10, 1983. There will be a \$10.00 late registration fee assessed in addition to the regular tuition and fees.

IMPORTANT NOTICE: The university reserves the right to close late registration at the time the student enrollment reaches the maximum number set by the Board of Trustees. Therefore, late registration forms will be processed on a first-come, first-served basis.

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be made by the college advisement center on the Change of Registration (Add/Drop) Card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitutes a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping Classes

Changes in registration are made by adding classes you wish to take and dropping classes you do not wish to take. Classes may be added or dropped beginning May 3. Generally, approval to add classes is given by the instructor. Exceptions to this rule are listed in the Class Schedule in the class listing portion under the name of the department. The change of registration procedure is:

1. Obtain a change of registration (Add/Drop) form from the Registration Office or your college advisement center (see inside front cover for listing).
2. To add a class, obtain approval from the instructor or department if indicated in the Class Schedule.
3. To drop a class, complete the form indicating the class to be dropped (no signature required).
4. Pay a fee per class to the university cashier. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
5. Take the Change of Registration Card to the Registration Office, B-130 ASB.

Please note the following deadlines for changes in schedule:

ADDITIONAL REGISTRATION INFORMATION

Spring Classes

May 3	T	Classes begin. You may add, drop, or late register for classes. Last day to drop classes without a fee per class.
May 4	W	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
May 10	T	Last day you may add classes, late register, or change classes to audits. Classes dropped after this day will show as W's on the transcript.
May 19	Th	Last day you may drop classes for academic reasons.
June 9	Th	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, May 6–10. It is not possible to register for an audit class on the advance class request form. **You are charged the same fees for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8.0 hours during a semester or under 4.5 hours during a term are considered part-time. Students enrolled in 4.0 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to April 22, 1983. On-campus registration will be in the Evening Classes Office, 120 HCEB, from March 7 through April 27, 1983. Late registration will begin on May 3, 1983.

Faculty and staff members who register for evening classes only must register by April 21, 1983. Employee tuition cards are available in the Evening Classes Office.

Registration for Faculty and Staff
(See page 58.)

Independent Study Programs

Independent Study is the university's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than three hundred courses are available, representing over fifty departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course.* For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868. Office hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday.

*Tuition is \$39.00 per semester hour and is not included in your regular BYU daytime tuition.

Tuition and Fees

TUITION AND FEES

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to the Treasurer's Office.

Tuition and General Fees Per Semester

	LDS Member	Non- Member
Undergraduate Students		
Full-time		
(Over 4 credit hours).....	\$ 305	\$ 457
Part-time.....	\$ 62	\$ 93
	per hour	per hour

Advanced-Standing Students

Full-time		
(Over 8 credit hours).....	\$ 342	\$ 513
Part-time.....	\$ 70	\$ 105
	per hour	per hour

Graduate School of Management Students

Full-time		
(Over 8 credit hours).....	\$ 500	\$ 750
Part-time.....	\$ 102	\$ 153
	per hour	per hour

Law School Students

Full-time		
(Over 8 credit hours).....	\$ 555	\$ 832
Part-time.....	\$ 113	\$ 170
	per hour	per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund policy listed below.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

April 21 (Spring Term)	\$10.00
June 16 (Summer Term)	\$10.00

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed in addition to a \$7.00 dishonored check fee.

Refunds

Students who decide to discontinue school should notify the Office of Student Special Services (390 SWKT) immediately. Any delay in notification or in turning in the activity card or fee receipt may reduce the amount of tuition refund.

Refunds will be based on the date of discontinuance as follows:

Date of Discontinuance		Tuition Refund
Spring Term	Summer Term	
May 3-May 7	June 28-July 1	100% less than \$10.00
May 8-May 13	July 2-July 8	85%
May 14-May 20	July 9-July 15	75%
May 21-May 27	July 16-July 22	50%
May 28-June 3	July 23-July 29	25%
After June 3	After July 29	No refund

Refund checks will be mailed from the Treasurer's Office to the student approximately two weeks from the date on which students report their discontinuance and surrender their activity card or fee receipt to the Office of Student Special Services (390 SWKT).

GENERAL EDUCATION

A description of the GE Program can be found in the current BYU General Catalog. Additional information can be found in the GE Guide, located in the College Advisement Centers and departmental offices. Students who entered BYU as new freshmen prior to Winter Semester 1976, or as new transfer students prior to Winter Semester 1977, may meet the requirements of the Former GE Program. Information concerning the Former GE Program can be obtained in the College Advisement Centers.

For your convenience and information, a GE column has been added to the listing of classes in the Class Schedule. The codes are used for both required and elective courses. Definition of the codes used in the GE column are as follows:

Category 1:	Category 2:	Category 3:
1RW = Reading and Writing	2AL = Arts and Letters	3AW = Advanced Writing
1W = Writing	2NS = Natural Science	3EM = Extramajor Skill
1R = Reading	2SS = Social Systems	

The only official list of all courses satisfying current GE requirements follows.

REQUIRED COURSES

All students must enroll in or challenge one course in each of the areas listed in the left-hand column below in each category. Students may challenge courses in the Testing Center, 265 HGB, on the dates listed.

Testing Center Schedule	Open	Exams Collected	Center Vacated

COURSES FOR CATEGORY 3

Extramajor Skill

Category 3 requires depth of preparation. The Category 3 Extramajor Skill consists of a 9-or-more-hour sequence, ordinarily including two preliminary courses and a culminating course. Consult the GE Guide, located in the college advisement centers and departmental offices, for descriptions and exact sequences. The extramajor skill selected must be outside your major department, but if you have a double major, one of which is listed here, you may use that as your extramajor skill. Minors listed here may also be used as your extramajor skill.

Extramajor Skill	Culminating Courses	Preliminary Courses
Calculus	Math. 214* or 344	Math. 112*, 113*
Chemistry Skills		
Biochemistry	Chem. 181 or 151	Chem. 102, 103

UNIVERSITY POLICIES

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9	Freshman
32-63.9	Sophomore
64-95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

You can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one

major to another, or from one college to another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college in which you are presently enrolled. After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows on the next page.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract form must be completed, signed by the instructor and department chairman, and the fee paid prior to the submission of the Official Grade Roll at the end of the semester. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should complete the portion of the Incomplete Grade Contract, indicating the grade earned, and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to totally discontinue all classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.

2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Discontinuance Office staff.
4. Have the student activity card voided. *You retain the voided card and photo ID if future enrollment is anticipated.*
5. Refer to page 50 for discontinuance refund information.

Those students enrolled in *Evening Classes only will discontinue through the Office of Evening Classes, 120 HCEB*. A \$5.00 fee is charged for the service after registration has been finalized. Law School students will initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and who subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be completed by contacting the Discontinuance Office, 390 SWKT, 378-2767, at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, or from the department or Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester. Questions concerning this requirement may be answered in the Graduate Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members **not teaching** during the Spring or Summer Terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members **teaching** during Spring or Summer Terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), or (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term, 6 credit hours may not be taken in the Summer Term, or vice versa. **No person may take more than 4 credit hours in one term.**

3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. **Spouse.** The *spouse* of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

The same information applies as for full-time faculty except Item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

NOTE: See *Personnel Policies and Procedures* No. 502 for tuition benefits for full-time staff with less than five years' and greater than five years' continuous service.

1. **Registration for Fall and Winter Semester.** Full-time regular staff may register for courses of study up to 6 credit hours per semester and will not be required to pay the regular cost of tuition. Unless specifically authorized, courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class attendance. Staff personnel working a regular schedule (8:00 a.m. to 5:00 p.m.) may not enroll in evening classes beginning approximately 4:00 p.m. or before.

2: **Registration for Spring and Summer Terms.** During Spring or Summer Terms, staff members may allocate their credit hours of class attendance as in Item 2a,b,c for full-time faculty.**

3. **Spouse.** After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term), and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less*. There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 120 HCEB (see instructions below).

Special Instructions (Please take note.)

1. **Applications for Approval of Daytime Class Work.** Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, prior to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

2. **Admittance to the University Needed for Daytime Class Work. Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. **Registration Schedule.** Please watch for

university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Evening Classes

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,
- or
2. They will be nineteen years of age on or before the first day of classes.
3. They have not been suspended for any reason from this or any other institution of higher learning.

Registration

Forms for registering may be obtained at the Evening Classes Office (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. **All completed registrations must be submitted to 120 HCEB.** All matters concerning evening registration are handled in this office.

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain an Add/Drop Card from 120 HCEB. The approval and signature of the instructors involved in the change are required. The card must then be returned to 120 HCEB.

During Spring Term or Summer Term, classes may be added during the first week only. Classes may be dropped during the first three weeks of classes. Classes may be dropped the first day of classes without charge. The amount of the fee to drop classes increases each day. The charges per day are printed on the Add/Drop form.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (120 HCEB). A \$5.00 fee is charged for the service after registration has been finalized.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level courses) or college transcripts (for individuals who have previously completed college courses), should also be sent to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees and their spouses will need to bring their Confirmation of Registration to the Benefits Office, where final processing will be accomplished. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before finalization of registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the

Discontinuance Office, 390 SWKT. If all classes are evening classes, clear through Evening Classes, 120 HCEB.

CLASS SCHEDULE ABBREVIATIONS

Class Schedule Abbreviations

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university that offers the class. The university is divided into ten colleges and each college is divided into various departments. See the **BYU General Catalog** for a listing of the colleges and departments at **BYU**.

CATG NO—the catalog number. Enter this number in the second column of the worksheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two **R** courses with the same number on a transcript are treated as two independent courses.

If an **R** course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB OR QUIZ—lab or quiz section only.

SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number in the third column of the worksheet.

INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. **V** means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule (see advisement center for further information). "**Arr.**" means credits to be arranged.

B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—**BLDG**—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—Fills General Education Category 1, 2, or 3: **R** = Reading, **W** = Writing, **M** = Math, **H** = Health, **RW** = Reading and Writing, **AL** = Arts and Letters, **NS** = Natural Science, **SS** = Social Systems, **AW** = Advanced Writing, **EM** = Extramajor Skill

APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).

REGISTRATION INSTRUCTIONS

Summer Term 1983

Are You Eligible to Register?

You are eligible to register for Summer Term 1983 if you registered for and completed regular day school classes during Winter Semester, Winter Block 1983, Spring Term, or have been issued a valid letter of admission for Summer Term 1983 by the Admissions Office. If you do not meet one of these criteria, registration materials will not be processed.

Step 5

Pay Tuition.

(See page 8 for details.)

Step 1: Organize Your Registration Materials.

You will need the following items to register:

BYU General Catalog

Description of all courses plus general education and major requirements. Available at the BYU Bookstore or may be ordered by sending \$3.00 to BYU Mail Service, 230 UPB.

Class Request Form

Attached inside front cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university, general education, and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 5.)

New Students are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students

Questions a Student Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students challenge courses and pass the requirement by taking examinations when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Nonmajor Programs.

How do I request classes?

A class request form is attached in the front of this book. All new freshmen should list at least ten classes per semester (six per term) on the class request form. This will enable the computer to find five or six available classes that will add up to the credit hours desired.

STEP 1: ORGANIZE YOUR REGIS- TRATION MATERIALS

Help for New Students

Which classes should I select?

New freshmen are mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book, or, if necessary, you can choose from the classes *listed below*.

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

Course	Description	Credit Hours	Information
Religion—Ancient Scripture 121	Book of Mormon	2	Required for new freshmen
Physical Education 177	Fitness for Living	.5	
*Mathematics 100D	Review of Basic Math	2	*Can be waived
English 115	College Reading & Writing	4	GE Category 1
Health 129	Personal Health	1	GE Category 1
American Heritage 100	American Heritage	3	GE Category 2
Biology 100	Principles of Biology	3	GE Category 2
Physical Science 100	Fundamentals of Physical Science	3	GE Category 2
General Education Electives	Additional classes can be selected from the elective general education classes beginning on page 53 in this book.		

*Mathematics 100D: Take if you have had one year of high school algebra and your ACT score was below 21 and above 12 or if you feel you need a basic math review. If your ACT score was 21 or above, this course and GE requirement are waived. If ACT score was below 12, take Mathematics 100A.

*Major requirements are available at college advisement centers or in the BYU General Catalog.

Step 2: Plan Your Schedule of Classes

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 13. After listing your ideal schedule, list additional courses or sections that the computer can select if your first choices are not available.

Step 3: Complete the Class Request Form Correctly.

The class request form is the orange and white sheet attached to the envelope inside the cover of this schedule. Additional forms are available at B-130 ASB and at the college advisement centers.

The class request form will be read by a computer scanner. To avoid scanning error, use a No. 2 pencil and make bold, rounded figures when filling out the form.

Sample Class Request Form

(New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the class request form.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). Detailed instructions are on the back of the class request form.

Step 4: Submit the Class Request Form ON TIME and AT THE RIGHT PLACE.

If you are on campus, submit your completed class request form to your advisement center or to B-130 ASB.

If you are away from campus, mail your completed class request form to B-130 ASB, BYU, Provo, Utah 84602. The envelope attached to the inside cover is addressed for this purpose.

Submit your class request form so that it is received at BYU before the following dates:

- | | |
|--------------------|---|
| May 9 (5:00 p.m.) | For first priority in the scheduling of classes. |
| May 27 (5:00 p.m.) | To register on time. Students failing to meet this deadline must late register beginning June 28, 1983, and pay a \$10.00 late fee (see Late Registration, page 9). |

**STEP 4:
SUBMIT
THE CLASS
REQUEST
FORM**

STEP 5: PAY TUITION

Step 5: Receive Confirmation of Classes and Pay Tuition.

The confirmation of classes and tuition assessment will be mailed:

May 25	For students who meet the first-priority registration deadline.
June 3	For students who meet the last-priority deadline.

These dates should be helpful in selecting the mailing address you indicate on your class request form.

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to BYU in the envelope provided. Drop boxes are also provided for students on campus who wish to save postage.

The deadline for tuition and fee payment is Thursday, June 16, 1983, at 5:00 p.m. Students who fail to meet the tuition deadline will lose all classes for which they are scheduled, will be required to pay a late fee of \$10.00, and will need to late register (see Late Registration, page 9).

JUNE
16

Additional Registration Information

Late Registration

Any student—new, continuing, or former—who fails to submit a class request form by May 27, 1983; or fails to pay tuition by June 16, 1983, must late register. Late registration begins Tuesday, June 28, 1983, in the Smith Family Living Center step-down lounge and will continue on a SPACE AVAILABLE BASIS until Wednesday, July 6, 1983. There will be a \$10.00 late registration fee assessed in addition to the regular tuition and fees.

IMPORTANT NOTICE: The university reserves the right to close late registration at the time the student enrollment reaches the maximum number set by the Board of Trustees. Therefore, late registration forms will be processed on a first-come, first-served basis.

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be made by the college advisement center on the Change of Registration (Add/Drop) Card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitutes a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping Classes

Changes in registration are made by adding classes you wish to take and dropping classes you do not wish to take. Classes may be added or dropped beginning June 28. Generally, approval to add classes is given by the instructor. Exceptions to this rule are listed in the Class Schedule in the class listing portion under the name of the department. The change of registration procedure is:

1. Obtain a change of registration (Add/Drop) form from the Registration Office or your college advisement center (see inside front cover for listing).
2. To add a class, obtain approval from the instructor or department if indicated in the Class Schedule.
3. To drop a class, complete the form indicating the class to be dropped (no signature required).
4. Pay a fee per class to the university cashier. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
5. Take the Change of Registration Card to the Registration Office, B-130 ASB.

Please note the following deadlines for changes in schedule:

ADDITIONAL REGISTRATION INFORMATION

Summer Classes

June 28	T	Classes begin. You may add, drop, or late register for classes. Last day to drop classes without a fee per class.
June 29	W	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
July 6	W	Last day you may add classes, late register, or change classes to audits. Classes dropped after this day will show as W's on the transcript.
July 15	F	Last day you may drop classes for academic reasons.
August 4	Th	Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, July 1-6. It is not possible to register for an audit class on the advance class request form. **You are charged the same fees for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8.0 hours during a semester or under 4.5 hours during a term are considered part-time. Students enrolled in 4.0 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400-499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to June 17, 1983. On-campus registration will be in the Evening Classes Office, 120 HCEB, from May 16 through July 6, 1983. Late registration will begin on June 28, 1983.

Faculty and staff members who register for evening classes only must register by June 16, 1983. Employee tuition cards are available in the Evening Classes Office.

Registration for Faculty and Staff

(See page 58.)

Independent Study Programs

Independent Study is the university's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than three hundred courses are available, representing over fifty departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course.* For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868. Office hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday.

*Tuition is \$39.00 per semester hour and is not included in your regular BYU daytime tuition.

ACADEMIC ADVISE- MENT

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Nonmajor Programs Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. You may call, write, or just walk in.

Write, visit, or call (area code 801—then 378- and the appropriate extension) the advisement center of your choice.

REGISTRATION INSTRUCTIONS

Fall Semester 1983

Are You Eligible to Register?

You are eligible to register for Fall Semester 1983 if you registered for and completed regular day school classes during Winter Semester, Spring Term, or Summer Term 1983 or have been issued a valid letter of admissions for Fall Semester 1983 by the Admissions Office. If you do not meet one of these criteria, registration materials will not be processed.

Step 1: Organize Your Registration Materials.

You will need the following items to register:

BYU General Catalog

Description of all courses, general education, and major requirements. Available at the BYU Bookstore or may be ordered by sending \$3.00 to BYU Mail Service, 230 UPB.

Class Request Form

Attached inside front cover of Class Schedule. Also available at the Registration Office, B-130 ASB, or the college advisement centers.

List of Required Classes

List of classes needed to meet university, general education, and major requirements.

Continuing Students should refer to the BYU General Catalog, contact their advisement center, or refer to the General Education section of the Class Schedule. Go on to Step 2. (See page 6.)

New Students are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book. The following section, Help for New Students, will help you understand some new college vocabulary. It will also show you some classes to select.

Help for New Students

Questions a Student Must Be Able to Answer

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal instruction in class each week. The average freshman can successfully complete from 12 to 16 credit hours (five or six classes) per semester. This will vary depending on the difficulty of the classes, outside involvement, and motivation to study. There is space on the class request form to indicate the maximum credit hours you desire.

What is general education?

The General Education Program at BYU assures that the student has achieved competence in certain skills or knowledge before graduating. Proof of competency is achieved by successfully passing required courses. Some students challenge courses and pass the requirement by taking examinations when they arrive on campus (without having taken prior BYU course work).

What is a major?

A major is a concentrated group of classes in a particular field you take to achieve your educational goals. You may have selected a major on the admission application. If you are presently undecided, you may enter the area called Nonmajor Programs.

How do I request classes?

A class request form is attached in the front of this book. All new freshmen should list at least ten classes per semester (six per term) on the class request form. This will enable the computer to find five or six available classes that will add up to the credit hours desired.

STEP 1: ORGANIZE YOUR REGIS- TRATION MATERIALS

Help for New Students

Which classes should I select?

New freshmen are automatically mailed a list of suggested classes from their college advisement center. If you have not received this list, you should contact your college advisement center as listed on the inside cover of this book, or, if necessary, you can choose from the classes *listed below*.

The classes below are chosen from university and general education requirements. Most students will attend six classes (15 credit hours). You will want to prepare a list of as many as ten classes, so that you can give the computer some additional classes to search for in case some of your first choices are not open or available.

University Requirements

STEP 2: PLAN YOUR SCHEDULE

Step 2: Plan Your Schedule of Classes

We suggest that you use the following form to work out your ideal schedule. Be careful not to select classes that meet at the same time on the same days. Consult the listing of classes beginning on page 33. After listing your ideal schedule, list additional courses or sections that the computer can select if your first choices are not available.

Step 3: Complete the Class Request Form Correctly.

The class request form is the orange and white sheet attached to the envelope inside the cover of this schedule. Additional forms are available at B-130 ASB and at the college advisement centers.

The class request form will be read by a computer scanner. To avoid scanning error, use a No. 2 pencil and make bold, rounded figures when filling out the form.

Sample Class Request Form (New Freshman Courses Used as Examples)

This sample shows you how to take the information from the Class Schedule and list it on the class request form.

Remember: Prioritize your desired classes. Most students list the classes for their major first, and many list more than one section of each course to assure receiving a complete schedule. The computer will not schedule you in more than one section of the same class (except R courses). Detailed instructions are on the back of the class request form.

Class Request Form

This form is read by an optical scanning machine. You must exercise special care to make certain this form is read accurately. Failure to follow these instructions exactly may cause you to receive a class you do not desire, or a class in excess of your credit limit. A sample of how your form should look is on the reverse side of this form.

1 Print your name below, sign, and indicate semester/year.

Young, Brigham M. 9-1-83

2 Print social security number below. If you don't have a social security number, print three zeros followed by your six-digit BYU student number.

123456789 518760660

3 Print your address. Your confirmation form with tuition assessment will be mailed to the address below.

1250 N. Pioneer Dr. Nauvoo, Illinois 61321

4 Mark the first of those hours of the week that you cannot have classes scheduled (due to work, etc.). Every hour you reserve greatly reduces your chances of getting a complete schedule, so use this convenience only if absolutely necessary.

5 Print your desired maximum hours in the boxes below. The computer will stop scheduling classes for you when you receive at least the number of credit hours you indicate below.

110 150

STEP 4: SUBMIT THE CLASS REQUEST FORM

Step 4: Submit the Class Request Form ON TIME and AT THE RIGHT PLACE.

If you are on campus, submit your completed class request form to your advisement center or to B-130 ASB.

If you are away from campus, mail your completed class request form to B-130 ASB, BYU, Provo, Utah 84602. The envelope attached to the inside cover is addressed for this purpose.

Submit your class request form so that it is received at BYU before the following dates:

- | | |
|----------------------|--|
| July 11 (5:00 p.m.) | For first priority in the scheduling of classes. |
| July 27 (5:00 p.m.) | For second priority in the scheduling of classes |
| August 9 (5:00 p.m.) | To register on time. Students failing to meet this deadline must late register beginning September 7, 1983, and pay a \$20.00 late fee (see Late Registration, page 10). |

Step 5: Receive Confirmation of Classes and Pay Tuition.

The confirmation of classes and tuition assessment will be mailed:

- August 5** For students who meet the first- and second-priority registration deadlines.
- August 12** For students who meet the last-priority deadline.

These dates should be helpful in selecting the mailing address you indicate on your class request form.

The confirmation form (minus the student copy) and a check or money order to cover the amount of the assessed tuition should be mailed to BYU in the envelope provided. Drop boxes are also provided for students on campus who wish to save postage.

The deadline for tuition and fee payment is Friday, August 26, at 5:00 p.m. Students who fail to meet the tuition deadline will lose all classes for which they are scheduled, will be required to pay a late fee of \$20.00, and will need to late register (see Late Registration, page 10).

STEP 5: PAY TUITION

ADDITIONAL REGISTRATION INFORMATION

Additional Registration Information

Late Registration

Any student—new, continuing, or former—who fails to submit a class request form by August 9, 1983, or fails to pay tuition by August 26, 1983, must late register. Late registration begins Wednesday, September 7, 1983, in the Smith Family Living Center step-down lounge and will continue on a SPACE AVAILABLE BASIS until Tuesday, September 20, 1983. There will be a \$20.00 late registration fee assessed in addition to the regular tuition and fees.

IMPORTANT NOTICE: The university reserves the right to close late registration at the time the student enrollment reaches the maximum number set by the Board of Trustees. Therefore, late registration forms will be processed on a first-come, first-served basis.

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 hours of credit in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be made by the college advisement center on the Change of Registration (Add/Drop) Card. Auditing of classes, registering for a class without receiving credit, or registering for evening classes constitutes a part of your total registration. Exceptions to these rules should be presented to: Assistant Dean of Admissions and Records, A-183 ASB.

Adding and Dropping Classes

Changes in registration are made by adding classes you wish to take and dropping classes you do not wish to take. Classes may be added or dropped beginning September 7. Generally, approval to add classes is given by the instructor. Exceptions to this rule are listed in the Class Schedule in the class listing portion under the name of the department. The change of registration procedure is:

1. Obtain a change of registration (Add/Drop) form from the Registration Office or your college advisement center (see inside front cover for listing).
2. To add a class, obtain approval from the instructor or department if indicated in the Class Schedule.
3. To drop a class, complete the form indicating the class to be dropped (no signature required).
4. Pay a fee per class to the university cashier. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
5. Take the Change of Registration Card to the Registration Office, B-130 ASB.

Please note the following deadlines for changes in schedule:

SEPT
20

Semester Classes

September 7	W	Classes begin. You may add, drop, or late register for classes.
September 9	F	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
September 20	T	Last day you may add classes, late register, or change classes to audits. Classes dropped after this day will show as W's on the transcript.
October 11	T	Last day you may drop classes for academic reasons.
November 28	M	Last day you may officially withdraw from classes for nonacademic emergencies.

First Block Classes

September 7	W	Classes begin. You may add, drop, or late register for classes.
September 9	F	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
September 13	T	Last day to add first-block classes. Classes dropped after this date will appear with W, official withdrawal, on the transcript.
September 23	F	Last day you may drop first-block classes for academic reasons.
October 11	T	Last day you may officially withdraw from first-block classes for nonacademic emergencies.

Second Block Classes

October 24	M	Classes begin. You may add or drop classes.
October 26	W	First day fees are charged for dropping classes. (The amount of the fee increases each day. The charges per day are printed on the Add/Drop form.)
October 31	M	Last day you may add second-block classes or change classes to audit. Second-block classes dropped after this day will show as W's on the transcript.

November 9 W Last day you may drop second-block classes for academic reasons.
November 28 M Last day you may officially withdraw from classes for nonacademic emergencies.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) must do so on an add/drop card during the last five days of the add period, September 14, 15, 16, 19, 20. It is not possible to register for an audit class on the advance class request form. You are charged the same tuition for auditing classes as for taking classes for credit. Classes taken on an audit basis will not appear on your official record and will not be considered in calculating enrollment verifications.

Credit to Audit

Students who are registered for credit and wish to change to audit must first drop the class and pay any appropriate drop fees. The class may then be added for audit beginning the fifth through the tenth day of the semester or the fourth through the sixth day of the term.

Admission to Class

Students whose names are on the class roll are officially registered. If your name is not on the roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Another roll, sent out during the third week, includes the names of all students currently registered for that class.

Enrollment Verification

Students are considered full-time by the university if they are enrolled for at least 8.5 credit hours during a semester or 4.5 credit hours during a term. Students enrolled in 4.5 to 8.0 hours during a semester or under 4.0 hours during a term are considered part-time. Students enrolled in 4.0 or less credit hours for the semester will be considered less than part-time. Audits do not count in students' total enrollment hours.

Evening Classes

Daytime students taking evening classes (sections 400-499) must register for the courses at the same time they complete and submit the registration form for day school.

Those who register for evening classes only should register by mail prior to August 26, 1983. On-campus registration will be in the Evening Classes Office, 120 HCEB, beginning July 18, 1983. Late registration will begin on September 7, 1983.

Faculty and staff members who register for evening classes only must register by August 26, 1983. Employee tuition cards are available in the Evening Classes Office.

Registration for Faculty and Staff

(See page 27.)

Independent Study Programs

Independent Study is the university's "portable" program. It allows you to earn credit through correspondence work, on or off campus. The instructor evaluates the lessons and responds with observations and helpful suggestions. More than three hundred courses are available, representing over fifty departments (noncredit and high school courses are also available). You may register for courses anytime during the year and take up to a year to finish each course.* For further information and a free catalog of courses, contact the Independent Study Office, 206 HCEB, or telephone 378-2868. Office hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday.

*Tuition is \$43.00 per semester hour and is not included in your regular BYU daytime tuition.

UNIVERSITY CALENDAR

The annual calendar at BYU includes two semesters and two terms of half-semester length. Fall Semester begins immediately after Labor Day and ends before the Christmas holidays. Winter Semester is from early January to late April. Spring and Summer Terms are eight weeks each and begin near May 1 and July 1, respectively.

Registering for Spring and Summer Terms allows students to accelerate their progress in many degree programs.

TUITION AND FEES

Tuition and Fees

The nation's largest church-related university, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the university is paid from the tithes of Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees at the time of registration.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars).

The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 7 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full time and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Advanced-standing students are those students who are or will be in the following categories by the beginning of the semester or term for which they are registering:

- A. All graduate students (except Law School students or Graduate School of Management students), including non-degree-seeking graduates.
- B. All students who have received their first bachelor's degree.

Full-time classification for both undergraduate and graduate students is registration for over 8 credit hours per semester and 4 credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to the Treasurer's Office.

Tuition and General Fees Per Semester

Undergraduate Students	Latter-day Saints	Others
Full-time		
(Over 8 credit hours).....	\$ 670	\$1,005
Part-time.....	\$ 68	\$ 102
	per hour	per hour

Advanced-Standing Students

Full-time		
(Over 8 credit hours).....	\$ 760	\$1,140
Part-time.....	\$ 77	\$ 125
	per hour	per hour

Graduate School of Management Students

Full-time		
(Over 8 credit hours).....	\$1,150	\$1,725
Part-time.....	\$ 117	\$ 176
	per hour	per hour

Law School Students

Full-time		
(Over 8 credit hours).....	\$1,230	\$1,845
Part-time.....	\$ 125	\$ 188
	per hour	per hour

A fraction of an hour is counted as a full hour in assessing fees. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Assessment Adjustment

After initial registration, a part-time student who increases the number of credit hours must pay for these additional hours on the day they are added. If this is not done, a late fee will be assessed.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Registration Office. The activity card must be surrendered at that time. A full refund of the difference between full-time assessment and part-time assessment will be allowed to the last day for adding classes. Refunds for courses dropped after that date will be subject to the refund policy listed below.

Late Registration Fee

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates.

After August 26 (Fall Semester).....\$20.00

Any student whose tuition check is dishonored by the bank will be charged the late registration fee in effect at the time the check is redeemed in addition to a \$7.00 dishonored check fee.

Tuition Refunds

If you discontinue school, a refund will be made minus a charge of \$10.00 (\$5.00 for a part-time student). In addition, there is a per-day charge of 3 percent of the total tuition paid or payable for the semester. You will be charged for the first day of the semester in which classes were held, following the

day you registered, to the day on which you report your discontinuance to the Office of Student Special Services.

Any refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date on which you report your discontinuance and have your activity card voided by the Office of Student Special Services.

Refunds will not be granted to students who are requested to discontinue from the university for violation of standards.

Late fees are not refundable.

GENERAL EDUCATION

Philosophy

There is some truth to the statement that "your major gets you a job, but your general education gives you mobility, sanity, and humanity." The college major helps students acquire needed depth in a given field, whereas general education is intended to help them develop the breadth, flexibility, and understanding needed to cope with rapid technological change, increased leisure time, and the responsibilities of citizenship in an increasingly complex world.

BYU's General Education Program introduces students to humankind's most valuable knowledge and achievements; it helps develop skills and other foundations for continued learning throughout life.

Guidelines

General education courses should be concerned with broadening students' vision, motivation, and ability to learn over their lifetimes as well as with particular bodies of substantive knowledge or skills.

General Education Requirements for the Bachelor's Degree

	Number of Courses	Normal Credit Hours	Approved Courses
Basic Academic Skills (Category 1)			
Basic Reading and Writing	1	4	Engl. 115, or Phil. 105
Basic Mathematics (All students must demonstrate adequate background in high school mathematics.)	1	0	Math. 99, 100, 111, 112, 112H, 113, 119, 121, 122, 170, 214, 223, or 224
REGISTER FOR THE APPROPRIATE MATHEMATICS COURSE ACCORDING TO ACT MATHEMATICS SUBSCORE:			
21 or above, requirement <i>waived</i>			
19-20, challenge Math. 99			
13-18, Math. 99, if you have taken high school algebra (NOTE: Math. 99 is a noncredit course requiring an additional fee.)			
12 or below, Math. 98 (NOTE: Math. 98—a noncredit course—prepares you for Math. 99, which satisfies the general education requirement.)			
Advanced Academic Skills (Category 1)			
Advanced Writing	1	3	IM 320, 320H, or Engl. 312, 312H, 314, 314H, 315, 315H, 316, or 316H
Foreign language or mathematics requirement (for students who entered BYU Fall Semester, 1983) or Extramajor skill (for students who entered BYU before Fall Semester 1983)	1-4	3-15	See list below
	3	9-12	See list below
Arts and Sciences (Category 2)			
Arts and Letters: Three electives	3	9	See list below
Natural Sciences:			
Biology	1	3	Biol. 100, 100H, 200, or HonP. 213R
Physical Science	1	3	PhyS. 100, 100H, or HonP. 212R
One elective	1	3	See list below
Social Sciences:			
American Heritage	1	3	AHtg. 100, 100H, or HonP. 209R
Two electives	2	6	See list below

To fulfill BYU's general education requirements, students must enroll in or pass the challenge exams for five required subjects and seven elective ones. Most students simply register for the five required subjects, but some well-prepared students may want to challenge them through the Testing Center, 265 HGB. Challenge procedures and testing dates are available in your college advisement center, the Testing Center, or the General Education Office, 1206 SFLC. The testing dates are scheduled early in the semester to allow students to drop classes before the university drop deadline. If you intend to challenge one of the required subjects this semester, see your college advisement center no later than September 12 (October 26 if you enter on the second block).

Additional information about BYU's General Education Program can be found in the General Education Guide (located in college advisement centers, deans' offices, and departmental offices) as well as in the BYU General Catalog. Further help is available in your college advisement center or in the General Education Office.

For your convenience, a GE column has been added to the listing of courses in this Class Schedule. The codes identify all the general education courses, both required and elective. Definitions of these codes are as follows:

Basic Academic Skills (Category 1)

- W Basic Writing, Basic Reading and Writing
M Basic Mathematics

Advanced Academic Skills (Category 1)

- AW Advanced Writing
EM Extramajor Skill, Foreign Language or Mathematics Option

Arts and Sciences (Category 2)

- AL Arts and Letters
NS Natural Sciences
SS Social Sciences

The official list of all courses that satisfy the current general education elective requirements follows:

ELECTIVE COURSES

Certain modifications are made for engineering, music, and nursing degree-seeking students. See your college advisement center for specific information.

Courses for Advanced Academic Skills (Category 1)

Foreign language or mathematics requirement: Students first entering BYU Fall Semester 1983 must complete the foreign language or mathematics requirement.

Foreign Language Option:

All courses that fill this requirement are listed in the GE column of this Class Schedule as EM.

The culminating course must ordinarily be a course at the fourth semester (301 level) of university study or beyond, involving reading, literature, or history taught in the language. Exceptions to this guideline include the following courses:

Finnish 201

English-as-a-Second Language 100 (only for native speakers of languages other than English)

Mathematics Option:

All courses that fill this requirement are listed in the GE column of this Class Schedule as EM.

The culminating course must be calculus, statistics, or intermediate logic. The following courses are acceptable:

Math. 112, 112H, 113, 119, 214, 223, 224, or 387 or
Phil. 305 or

Stat. 221, 222, 321, or 501

Extramajor Skill:

Students who entered BYU *before* Fall Semester 1983 have the option to complete an extramajor skill or the foreign language or mathematics requirement. All extramajor skills, other than foreign language or mathematics, must be completed by Summer Term 1984.

All courses that fill this requirement are listed in the GE column of this Class Schedule as EM.

An extramajor skill consists of a 9-or-more-hour sequence, ordinarily including two preliminary courses and a culminating course. Consult the General Education Guide (located in college advisement centers, deans' offices, and departmental offices) for descriptions and exact sequences. The extramajor skill selected must be outside your major department, but if you have a double major, one of which is listed here, you may use it as your extramajor skill. Minors listed here may also be used as your extramajor skill.

Acc. 320
Chem. 181
Econ. 395

Preliminary Courses

Acc. 201 and 202 or 203
Chem. 102, 103

Completion of three courses beyond Econ. 110. Two of the three courses must be selected from Econ. 280, 380, or 381.

Engl. 418

Engl. 218, 318 or 319; 315 or 316; and Comms. 211 or 427.

Foreign languages

The culminating course must ordinarily be foreign language 201, but the following courses are also acceptable:

Arabic 211
Chinese 202
English as a Second Language (ESL) 100
French 321, 445, or 446
German 200
Hebrew 331
Italian 321 or 445
Japanese 202
Navajo 301
Portuguese 321
Spanish 321
Thai 301

Students who entered BYU *before* Fall Semester 1983 may complete the foreign language extramajor skill at the 201 level until Fall Semester 1988. After that time, it must be completed at the same level as students entering BYU Fall Semester 1983 (i.e., generally at the 301 level).

Geog. 340

Geog. 211, plus one systematic geography (such as 231, 250, 301, 302, 332, 401, 405, 441, 451, or Anthr. 220) and one regional geography (such as 450, 453, 455, 460, 465, 470, 480)

Hist. 325

May be filled in three ways.

1. Enroll in Hist. 125, 498, 325 in one semester, with the same section and teacher.
2. Enroll in Hist. 125 one semester, the elective another semester, and finally 325, the culminating course.
3. Enroll in Hist. 125 and the elective one semester and take 325 another semester.

ManEc. 395

ManEc. 200 and 201 plus one field course

Math. 214, 224, 311, or 344

Music 359

UNIVERSITY HONORS PROGRAM

IMPORTANT NOTE:

Beginning Fall 1983, any BYU student may register for Honors general education courses. However, we recommend that the student have a composite ACT of at least 27 or a cumulative university GPA of 3.5 and above. Formal membership in the University Honors Program is no longer required. Honors courses offer enrichment and additional rigor to all highly motivated and intellectually gifted students.

What Are the Advantages of the Honors Program?

Honors classes are smaller than many good GE classes and the teachers and students are among BYU's finest. Diligent and capable students perform better and learn more when they work closely with others who are stimulating. Honors classes include an emphasis on discussion and writing. Further, they count toward graduation with University Honors, BYU's most prestigious graduation recognition. Importantly, students completing an Honors class receive an early registration privilege for the next semester. This means that as long as the student is conscientiously seeking the most rigorous undergraduate education, the university will process his or her class request form early. This allows better access to the classes and teachers one needs to fulfill high educational aspirations. If in a given semester the student does not complete an Honors class, the early registration privilege is lost for the following semester, but can be reinstated following any semester during which an Honors class is successfully completed. (Entering freshmen should contact University Honors Program personnel to learn how they may qualify for the early registration privilege.)

What about Grading in the Honors Program?

Students selecting Honors classes should be aware that these classes will be taught and graded on the level of the superior student. However, academically capable and hard-working students do very well in Honors classes. In fact, on the average they receive slightly higher grades in Honors classes than in their other classes in any given semester. Honors classes are not graded on a curve, but the main reason that students do well is that Honors classes typically are stimulating, demanding, and fulfilling. Students are motivated to perform well, and they do; hence their grades are higher.

What Are the Requirements for Graduation with University Honors?

NOTE:

Qualified students may register for Honors GE classes at any time during their undergraduate years without necessarily intending to complete all the following requirements:

1. Successfully complete six or more Honors GE classes in areas outside of one's major.
2. Maintain a 3.5 GPA both in Honors classes and in all other classes.
3. Learn any classical or modern foreign language to the GE requirement level.
4. Achieve a proficiency in mathematics to the GE requirement level.
5. Complete an acceptable Honors Thesis (a serious research project in one's major that is usually undertaken early in the senior year).
6. Read and thoughtfully consider the books on the Honors Undergraduate Required Reading List.
7. Complete an application for the University Honors designation by the established deadline.

Obtain a free Honors Class Schedule containing a complete course listing and detailed descriptions from the University Honors Program Office, 167 HGB, or call (801) 378-3523. This is an essential supplement to the university Class Schedule. Additional important information (including greater detail on all the above) is also available from the Honors Office.

UNIVERSITY POLICIES

Student Classification

At the beginning of each semester, students are classified for that semester as follows:

0-31.9	Freshman
32-63.9	Sophomore
64-95.9	Junior
96 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the office of the dean of Student Life.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of Student Life unless he or she has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

You can repeat classes at BYU. This can be done in four ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions. A memo of equivalency is needed from the BYU department chairman.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.
4. Repeat at BYU through Independent Study or a Continuing Education center.

When you repeat a class, except for classes classified as R classes, the grade used to figure your grade point average is the grade earned the last time the repeated class was taken. You must notify the Records Office, B-150 ASB, that the class has been repeated during the next semester afterward.

Changing College or Major

A student who desires to transfer from one

major to another, or from one college to another, must clear this change through the college advisement centers. Official change of major cards may be obtained from the college advisement center of the college in which you are presently enrolled. After being properly signed, the card must be submitted to the college advisement center of your new college. Graduate students should review the policy regarding them that follows.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor for students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract form must be completed, signed by the instructor and department chairman, and the fee paid prior to the submission of the Official Grade Roll at the end of the semester. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which the student must complete the incomplete. The time length may not exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should complete the portion of the Incomplete Grade Contract, indicating the grade earned, and submit the form to the Records Office, B-150 ASB.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Withdrawal (Discontinuance) from BYU

A daytime student is not officially withdrawn (discontinued) from the university unless the student has completed the discontinuance process in the Discontinuance Office, 390 SWKT.

If you find it necessary to totally discontinue all classes, you must do the following:

1. Complete discontinuance forms from the Discontinuance Office, 390 SWKT, Ext. 2767.

2. Obtain instructor and clearance signatures as necessary. NOTE: Beginning with the sixth week of the semester or third week of the term, the discontinuing student becomes responsible for grades earned in classes. Signatures must be obtained from individual instructors, who indicate your pass or fail status.
3. Have a personal interview, if deemed necessary, and be signed out by a member of the Discontinuance Office staff.
4. Have the student activity card voided. *You retain the voided card and photo ID if future enrollment is anticipated.*
5. Refer to page 17 for discontinuance refund information.

Those students enrolled in *Evening Classes only will discontinue through the Office of Evening Classes, 105 HCEB*. A \$5.00 fee is charged for the service after registration has been finalized. Law School students will *initiate their discontinuance through the office of the Law School dean, 348 JRCB*.

Students who leave the university under emergency conditions and who subsequently do not return still have the responsibility to discontinue before the discontinuance deadline. Official termination can be completed by contacting the Discontinuance Office, 390 SWKT, Ext. 2767, at the earliest possible time.

Graduate Information

It is the responsibility of each graduate student to understand and follow both the general requirements of the university for graduate work and the specific requirements of the department in which he or she is registered. These are available in the current BYU General Catalog, or from the department or Graduate Office.

Each graduate student must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester in which he or she (a) is accepted in a graduate program and/or (b) plans to graduate.

Graduate International Students

International students will also need to conform to the U.S. Immigration Regulations. This means registering for at least 9 semester hours of credit each Fall and Winter Semester. Anyone having fewer than 9 semester hours of credit remaining in the program will need to register for a minimum of 2 hours per semester.

Questions concerning this requirement may be answered in the Graduate Office.

Registration for Faculty and Staff

Full-Time Teaching Faculty

1. **Registration for Fall and Winter Semesters.** Full-time teaching faculty may register for courses of study up to 6 hours per semester and will not be required to pay the regular cost of tuition.**

2. **Registration for Spring and Summer Terms.** Continuing faculty members not teaching during the Spring or Summer Terms may take any amount of credit hours and will not be required to pay the regular cost of tuition during the term they are not teaching. Faculty members teaching during Spring or Summer Terms may take a limit of (a) 3 credit hours per term, (b) 6 continuous credit hours covering both terms (i.e., classes that begin at the start of Spring Term and run continuously until the end of Summer Term), or (c) 4 credit hours in one term and 2 credit hours in the other. If no classes are taken in Spring Term, 6 credit hours may not be taken in the Summer Term, or vice versa. No person may take more than 4 credit hours in one term.

3. **New Faculty.** New faculty members may not take class work during the Spring or Summer Term before they begin their school-year teaching assignment.

4. **Spouse.** The spouse of a full-time teaching faculty member may register for courses of study with no limit as to the number of hours day or evening and will not be required to pay the regular cost of the tuition.**

Administrative Personnel

The same information applies as for full-time faculty except Item 3. Administrative personnel become eligible for class work benefits the semester or term following their date of hire.

Full-Time Regular Staff

NOTE: See *Personnel Policies and Procedures* No. 502 for tuition benefits for full-time staff with less than five years' and greater than five years' continuous service.

1. **Registration for Fall and Winter Semester.** Full-time regular staff may register for courses of study up to 6 credit hours per semester and will not be required to pay the regular cost of tuition. Unless specifically authorized, courses may not be taken during regular working hours. Lunch hours, no matter when scheduled, may not be used for class

attendance. Staff personnel working a regular schedule (8:00 a.m. to 5:00 p.m.) may not enroll in evening classes beginning approximately 4:00 p.m. or before.

2. Registration for Spring and Summer Terms. During Spring or Summer Terms, staff members may allocate their credit hours of class attendance as in Item 2a,b,c for full-time faculty.**

3. Spouse. After the staff employee has completed five years of continuous employment as a full-time regular staff member, his or her spouse may register for courses without restriction as to time or number of credit hours day or evening and will not be required to pay the regular cost of tuition.**

Part-Time Faculty

Part-time faculty members (not graduate assistants) may enroll in classes for the number of credit hours up to the number of hours they teach, not to exceed 5 hours per semester (3 hours per Spring or Summer Term), and will not be required to pay the regular cost of tuition *for the first 5 credit hours or less*. There is no provision for accrual of credit hours. Benefit is available only during the semester or term in which courses are taught. Part-time faculty members will need to pay for any additional hours they wish to take, but they may not become full-time students.**

Part-Time Staff, "Full-Time Staff" on a Temporary Basis, and Full-Time Special Staff

All such employees are ineligible for tuition benefits and must pay the current cost of tuition and fees for registration in courses.

Evening Classes Registration (Evening Only)

Employee tuition cards indicating eligibility for Evening Classes may be obtained at the Evening Classes Office, 120 HCEB (see instructions below).

Special Instructions (Please take note.)

1. Applications for Approval of Daytime Class Work. Applications for approval for employees to take daytime classes (7:00 a.m. to 5:00 p.m.) may be obtained at the Benefits Office, B-202 ASB, prior to registration.

APPROVAL FOR DAYTIME CLASS WORK RESTS WITH THE MANAGER OF EMPLOYEE BENEFITS.

****2. Admittance to the University Needed for Daytime Class Work.** Faculty members, administrative personnel, staff members, spouses, and part-time faculty who are eligible to register

for daytime classes must be properly admitted through the Admissions Office (see instructions following).

3. Registration Schedule: Please watch for university notices of times for advance registration. Contact the Registration Office, B-130 ASB, Ext. 2824, for information.

Evening Classes

Any eligible employee formally admitted to Brigham Young University may enroll for Evening Classes. Students not formally accepted may enroll for credit, provided they meet the following requirements:

1. They have earned a minimum high school or college grade point average of 2.5 and have submitted an application for enrollment, together with a high school or college transcript to the Department of Evening Classes,
- or
2. They will be nineteen years of age on or before the first day of classes.
3. They have not been suspended for any reason from this or any other institution of higher learning.

Registration

Forms for registering may be obtained at the department offices (120 HCEB) or in the Benefits Office. Check the current Class Schedule for semester and term deadlines and watch the weekly *Y News* for instructions. To assure a place in a class, early registration is necessary. All completed registrations must be turned in to 120 HCEB. All matters concerning evening registration are handled in this office.

Changes in Registration

To minimize changes in registration, employees should exercise great care in planning their schedules. When a change in registration becomes necessary, employees must obtain a Change of Registration card from 120 HCEB. The approval and signature of the instructors are required to add classes. This card must then be returned to 120 HCEB.

Discontinuance

A student discontinuing his or her entire registration at Evening Classes is required to clear through this office (120 HCEB). A \$5.00 fee is charged for the service after registration has been finalized.

Day Classes for Credit

Employees or spouses who are eligible to take classes for credit at Brigham Young

University must be formally admitted. To complete the admissions process, the employee or spouse should obtain an Application for Admission from either the Admissions Office, A-153 ASB, or from any of the college advisement centers. Part A of the admission application must be completed. Official high school transcripts (for individuals who have never taken college-level work) or college transcripts (for individuals who have previous college work), should also be sent to the Admissions Office. A one-time \$15.00 application fee will also need to be paid at that time. Upon acceptance to the university, all advance registration materials will be sent to the employee or spouse for class registration. Employees and their spouses will need to bring their Confirmation of Registration to the Benefits Office, where final processing will be accomplished. Employees are reminded that a Request for Daytime Class Attendance form must be completed and finalized before finalization of registration takes place. For subsequent semesters, materials may be obtained at the college advisement centers. Apply for graduate credit through the Graduate Office, B-336 ASB.

Times When Readmission Application Is Required

Having once been accepted, if the employee or spouse misses one full semester he or she must go through the process of submitting new Parts A and B to the Admissions Office. No transcripts are required the second time unless additional college work has been completed elsewhere since the last enrollment at BYU.

Auditing Classes

All faculty, administrative and staff employees, or spouses who desire to audit classes at BYU should go to the Registration Office, B-130 ASB, for auditing procedures. Any class audited in this manner will not appear on official records. Staff employees are not eligible to audit daytime classes. If they wish to audit Evening Classes, they should do so through the Department of Evening Classes. Any exceptions should be cleared through the Benefits Office.

University Discontinuance

A BYU employee who discontinues his or her entire registration at the university is required to clear this termination through the Discontinuance Office, 390 SWKT. If all classes are evening classes, clear through Evening Classes, 120 HCEB.

FINAL EXAMINATION SCHEDULE FOR FALL SEMESTER 1983

Final examinations will be given at the times shown in the following schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review and study and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; students must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent a student from taking an examination at the scheduled time, that student is responsible to inform the class instructor as soon as possible. The instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless the student and instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule below. First block examinations will be given during the last regular class period. Evening class examinations will be announced by the instructor. If a class begins after the hour, the final exam period is determined by the beginning hour. Example: a class beginning at 8:35 must take the 8:00 exam period.

In cases where a student has conflicting examinations or more than three examinations in one day, individual arrangements for alternative test times may be made by the instructor. Examinations will be held December 13, 14, 15, 16, and 17, with reading days on Saturday, December 10, and Monday, December 12; therefore, Friday, December 9, 1983, will be the last day of instruction.

CLASS SCHEDULE ABBREVIATIONS

The courses in the Listing of Classes section are listed under their respective departments, which appear alphabetically. Abbreviations used in the Class Schedule are as follows:

DEPT—the department of the university which offers the class. The university is divided into ten colleges and each college is divided into various departments. See the BYU General Catalog for a listing of the colleges and departments at BYU.

CATG NO—the catalog number. Enter this number in the second column of the worksheet. The numbers indicate the following classifications:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

R designates a course that may be repeated for credit. Two **R** courses with the same number on a transcript are treated as two independent courses.

If an **R** course is repeated for the purpose of raising the grade received, the grades will be averaged because it is assumed that the subject matter varies from time to time.

LAB OR QUIZ—lab or quiz section only.

SEC—section. When more than one class of a particular course is offered, they are distinguished by different section numbers. Enter this number in the third column of the worksheet.

INDEX—index number. Each class has a different index number for computer identification purposes. Enter this number in the fourth column of the worksheet.

CR HR—credit hours. To graduate, you must have completed 128 credit hours of course work. To graduate in eight semesters, you must average 16 credit hours per semester. **V** means variable credit hours. Register for the desired number of hours within the approved range indicated in the schedule (see advisement center for further information). "**Arr.**" means credits to be arranged.

B L K—block. Each semester is divided into two blocks. Block classes are offered either during the first or second block of the semester.

DAYS TAUGHT—class days.

ROOM—BLDG—where the class meets (see below for building abbreviations).

SPECIAL ENROLLMENT—classes restricted to particular students.

GE CATG—Fills General Education Category 1, 2, or 3: **R** = Reading, **W** = Writing, **M** = Math, **H** = Health, **AL** = Arts and Letters, **NS** = Natural Science, **SS** = Social Systems, **AW** = Advanced Writing, **EM** = Extramajor Skill

APPROV OR FEE—classes requiring special approval. See the explanatory footnote at the bottom of every other page.

TBA—to be announced (see department).
